

FASTAID R2 INDUSTRIA MAX™ METAL CABINET FIRST AID KIT

Description

- White metal wall mount cabinet
- Quality heavy gauge steel
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Ideal for manufacturing and warehouses

The FastAid R2 Industria Max™ first aid kit is a premium-quality kit designed for both low and high-risk workplaces, exceeding the WHS requirements for Australian workplaces in the manufacturing and general workplace sectors.

This first aid kit complies with WHS regulations for workplaces with 1-25 persons and includes specific first aid items for treating injuries common in factory and general workplace environments.

A comprehensive range of premium hospital grade contents are included in the FastAid R2 Industria Max™ kit, as well as two additional modules for treating burn and eye injuries. Includes extras such as hydrogel burn gels and dressings for effective burns treatment, including treatment guides.

Unique colour coded contents make locating the right item in an emergency faster and easier.

FastAid's first aid metal wall cabinets are built from a heavier gauge steel than standard to ensure they stand up to the rigours of the workplace. The organisation sleeve on the inside of the cabinet door provide space for you to place your high use first aid items and treatment guidance to ensure fast and easy access.
