

NSR 4041

HexArmor® sets the industry standard for needle protection with innovative solutions for a variety of applications. The NSR 4041 provides both cut and needle resistance, giving end users a performance advantage to keep them safer on the job. HexArmor® needlestick-resistant products utilize multiple layers of SuperFabric® brand materials engineered to provide the highest levels of needle and cut protection available on the market.

Don't get stuck with faulty hand protection – use HexArmor®.

NEEDLESTICK RESISTANT
